# FULLY RECYCLABLE ORGANIC SPORTS BIO-BOTTLE

Recycling and upcycling are very important, but to improve our environmental future we need to use recyclable alternatives to plastics. With this in mind, we fully endorse Iceland Food's recent decision to eliminate plastic on all its own-branded products and replace with recyclable paper, pulp trays and paper bags.

Introducing our environmental friendly  
**SPORTS BIO-BOTTLE**  
that is 95% made of sugar cane!

This organic sports bio-bottle is made from Braskem® Green Polyethylene - a renewable raw material that is derived from sugar cane. The bio-bottle does not taste or smell like plastic (as regular plastic bottles do) and is also BPA-free.

- ✓ 95% sugar based
- ✓ BPA free
- ✓ Plasticizer free
- ✓ Dishwasher safe
- ✓ Made in Europe

So make a statement with your brand, either internally or with a national promotion, and replace your plastic bottles with bio-bottles and hopefully the world will follow!

All products displaying names or trademarks within this mailing are not necessarily indicative of supply or endorsement by the owner of the trademark, but are merely representative of what can be achieved with branded promotional merchandise.

**“SUPPORT A HEALTHY & SPORTY LIFESTYLE WITH A FULLY RECYCLABLE SPORTS BIO-BOTTLE”**

### ENVIRONMENTAL DETAIL

The organic sports bio-bottle is made from Braskem® Green Polyethylene which is derived from sugar cane ethanol, a renewable raw material. During their growth cycle, the raw materials used in Green Polyethylene absorb and repair CO2 in the atmosphere, significantly reducing greenhouse gases. This bio-bottle is fully recyclable as plastic code 4.

### A CHOICE OF COLOURS

Bio-bottle is branded with your logo on the body. The bottle/cap/spout are available in the colour options below. Custom PMS colours can be chosen on orders over 5000 units.

	White	Clear	Nature Green	PMS 354	Aqua Blue	Black
